New York Benchmark Plans in 2015

Extra Help is a federal program that helps pay for Medicare drug coverage. If you have Extra Help in 2015, you pay no premium if you're in one of the Medicare Part D drug plans below. Extra Help pays the whole premium for you if you're in one of these plans, which are called **benchmark plans**. The Part D benchmark amount for 2015 in New York is \$36.94. If the plan's premium is \$36.94 or below, Extra Help will pay the entire premium. Before joining a plan, make sure it works with your health coverage.

SmartD Rx Saver is a benchmark plan, however, they are not accepting new enrollees. If you already have SmartD Rx Saver, you may keep it.
