

Extra Help is a federal program that helps pay for Medicare drug coverage. If you have Extra Help in 2019, you pay no premium if you are in one of the Medicare Part D drug plans below. This is because Extra Help pays the whole premium for you if you are in one of these plans, which are called **benchmark plans**. The Part D benchmark amount for 2019 in New York is \$39.33. If the plan's premium is \$39.33 or below, Extra Help will pay the entire premium. Before joining a plan, make sure it works with your health coverage and care needs.
