

Medigap plans

Medigaps are health insurance policies that offer standardized benefits to work with Original Medicare (not Medicare Advantage). They are sold by private insurance companies. If you have a Medigap, it pays part or all of certain remaining costs after Original Medicare pays first. Medigaps may also cover health care costs that Medicare does not cover at all, like care received when traveling abroad.

Remember, Medigaps only work with Original Medicare. If you have a Medicare Advantage Plan, you cannot buy a Medigap.

Choosing a Medigap plan

Depending on where you live, you have up to 10 different Medigap policies to choose from: A, B, C, D, F, G, K, L, M and N. Four other plans (E, H, I and J) stopped being sold to new members in 2010, but some people still have these plans. Each lettered plan pays for a certain set of benefits. The benefits are the same no matter which company sells the plan.

Listed below are things you should consider when choosing a Medigap plan. Make sure to review the Medigap plan benefits chart for additional information.

- **Plan A covers fewer benefits than other Medigap plans.**
- **Plan F is the most comprehensive Medigap.** Plan F covers all Medigap benefits. Plans C and G are also very comprehensive.
- **Plans K and L only cover part of your Part B coinsurance.** Both plans pay 100% of your coinsurance after you reach an out-of-pocket maximum.
- **Medigap plans are guaranteed renewable.** That means that as long as you pay the premium, you can keep your plan. However, premiums may change yearly.
- **Shop around.** Different insurance companies charge different premiums for the exact same plan.

How to use these charts

1. **Medigap plan benefits:** Use this chart to compare each plan's benefits.
2. **Comparison of monthly premiums:** Use this chart to compare the monthly costs of Medigap plans in your area.

Remember: The benefits for each lettered plan (e.g., Plan A) are the same no matter which company sells it or what the premium is. Look for the best deal.

These premiums are subject to change. The charts provide information for this particular month.

Your benefits are different from what's on the chart above. This chart also doesn't apply to Massachusetts, Minnesota and Wisconsin. Those states have their own Medigap systems.
